PHILOSOPHY OF COLLECTION

A PROJECT BY MARCO CORTI

Q COLLECTION is an outstanding furniture collection with a strong international personality where the concept is based on three qualities:

“Modern, Minimal and Sophistication”.

Smooth shapes and powder colours characterized all the pieces, creating an environment where each one contributes to narrating an unique identity. These distinctive characteristics become the driving force behind the realization of every single item, indeed collection is designed to create a contemporary language in the domestic atmosphere.

Our aspiration is to design a rich, solid and comprehensive collection which will distinguish themselves in both design and quality, which will project consistently our value and vision of contemporary living for everyone to share.

The world of **Q Collection** is conveyed not only through single pieces of the collection, but also in the ability to transform it into a “style of life” in any surroundings and in any interior environment.

Over “modern, minimal and sophistication” we could also add: “rigour, simplicity and luxurious”. In fact, all the single pieces of the collection have been designed with clean lines, feeling of balance and attention to quality.

Every single detail has been taken care of in each single part, from the soft shapes, to the choice of textures and soft colors.

Products as protagonists, as creators of unforgettable moments.

“Moments”, not only for its contemporaneity , but precisely as the creation of a unique moment totally aimed at creating a feeling of connection with the people, space and **Q Collection**.

The layer of time completes a direct tactile experience beyond reason. We focusing on the process before the outcome, “**HERE AND NOW**”.

“Luxury is in each detail.”
Hubert de Givenchy.

In our collection, every product is a celebration of beauty, craftsmanship, and timeless style. We believe that true luxury lies not only in possessing something rare but in cherishing those moments of connection it creates.

From the refined touches to the artful design, every piece tells a story of sophistication and passion.
